

Jamba Juice Fundraising Program:

Jamba Juice wants to help support your favorite cause or school, while at the same time help to underwrite CAHPERD student scholarships and grants. And all that's required of you is a phone call!

- Jamba Juice will come to your school/location/event/game, and bring delicious, All-Fruit Smoothies for sale as a fundraiser.
 - Schools, Universities, Departments/Divisions, ASBs, school or other clubs, teams, tournaments, PTAs, recreation leagues, nonprofit organizations, etc. are all eligible!
 - Sign up to support several organizations through fundraisers throughout the year.
- 20% of the smoothie sales are given back to you/your charitable organization; an additional donation will be given to CAHPERD for scholarships/grants.
- After you make your initial call, all you then need to do is advertise your Jamba Fundraisers – Jamba Juice will even provide a fundraising flyer template! Your Jamba General Manager will help you advertise by posting the fundraiser on the store Community Board.

It's simple to get going, just four easy steps:

1. Call Jamba's Fundraising Coordinators at 1-866-Jambago to book your fundraisers TODAY! Tell them to credit CAHPERD for the Call!
2. Complete and return the necessary documents they send you.
3. Advertise your fundraiser!
4. Host the Jamba Cart and enjoy Smoothies while supporting your favorite cause; they will provide the labor, smoothies and fun - and 20% of the proceeds will be donated for your group or school!
